Dear Parents and Students,

Beginning in the 2019-20 school year, the AP Program is introducing new resources and processes designed to help students earn college credit and placement.

Here’s what you need to know about the upcoming changes:

- AP exam sign up will take place in the Fall.
- Students will be asked to register for AP Exams in October. AP Exams will continue to be given in May.
- The exam fee isn’t changing. However, there will be a $40 fee for late registration (after Nov. 15) and a $40 cancelation or unused exam fee.
- Central High School/Lake View will collect fees for AP exams from September – Nov. 1st.
- Students will get personalized feedback through new digital tools that provide daily support for every AP classroom. Their teachers will be able to track their performance throughout the year using monthly personal progress checks.

To get ready for the coming school year, please encourage your student to sign up for a College Board account. All College Board programs are connected through one account, so if your student created one for the PSAT/NMSQT, SAT, or College Board Opportunity Scholarships, they are all set. They’ll just need to have their username and password available.

Parents may learn more at [https://parents.collegeboard.org](https://parents.collegeboard.org)

Students who have a College Board account should login prior to the beginning of school and update personal info if needed and ensure you remember your username and password.

Students that plan to take the AP exams, but do not have an account, may set up a College Board Account at: [https://cbaccount.collegeboard.org/iamweb/smartRegister?appId=292&DURL=https%3A%2F%2Fwww](https://cbaccount.collegeboard.org/iamweb/smartRegister?appId=292&DURL=https%3A%2F%2Fwww)

**Special note:** If a student wants to challenge an AP exam (meaning they are not currently enrolled in the course) the student will need to register in the Fall of 2019 along with the other students in the course. Also, if a student is taking a Spring semester AP course, they will need to register in the Fall as well.

Please call if you have any concerns or questions.
